Additional Features Available For You

Brain Damage: If an accidental bodily injury results in brain damage to you, this benefit will pay 100% of the principal sum. This benefit will be paid if all following conditions are met: the brain damage begins and is diagnosed by a physician within 30 days of the accident, if you are confined in a Hospital or other licensed facility to receive treatment prescribed and supervised by a physician within 30 days of the accident, the brain damage continues for 12 months and a physician determines the brain damage is permanent, complete and irreversible at the end of the 12 months.

Burn: If an accidental bodily injury causes you to suffer third degree burns, this benefit will pay a benefit determined by multiplying the percentage of body surface burned, as determined by the attending physician, by 10% of the principal sum up to a maximum of \$20,000.

Coma: If an accidental bodily injury causes you to lapse into a coma within 30 days of the accident, remain in a coma for 30 consecutive days, and be confined to a hospital within the first 30 days, the coverage pays monthly benefit amounts equal to 1% of the principal sum. Coma payments will be made until you are no longer in a coma, you are deceased, or 100% of the principal sum has been paid.

Psychological Therapy: If an accidental bodily injury causes you to suffer a covered loss which results in a physician determining that psychological therapy is required, we will reimburse expenses incurred within two (2) years from the date of loss, up to 10% of the principal sum subject to a maximum of \$25,000. This benefit will be paid on an excess basis. We will determine the charge for Psychological Therapy and will reduce that amount by amounts paid by or payable by any other plan.

Rehabilitation Expense: If an accidental bodily injury causes you to suffer a covered loss which prevents you from performing all of the duties of your primary occupation and results in a physician determining that rehabilitation is required, then

this benefit will reimburse expenses incurred within two (2) years from the date of loss, up to 10% of the principal sum subject to a maximum of \$25,000. This benefit will be paid on an excess basis. We will determine the charge for Rehabilitation and will reduce that amount by amounts paid by or payable by any other plan.

Seat Belt and Occupant Protection Device: If you suffer an accidental bodily injury resulting in a covered loss of life while you are operating or riding in a private passenger automobile and using a seat belt, an additional benefit of 10% of the principal sum, up to \$25,000, will be paid. If it cannot be determined if you were using a seat belt, then an alternate benefit amount of \$3,000 will be paid. This benefit also pays an additional 10% of the principal sum, up to \$25,000 if you suffer an accidental bodily injury as set forth above and you are positioned in a seat protected by a properly deployed occupant protection device. The benefit amount for an occupant protection device will only be paid if a benefit amount (other than the alternate benefit amount) for seat belt is paid. The actual use of the seat belt and proper operation of the Occupant Protection Device at the time of the accident must be part of an official accident report, or, certified in writing by an investigating police officer. No benefit will be paid if an insured person is operating or riding as a passenger in a vehicle used for a race or contest of any type.

Temporary Total Disability: If, within 30 days of a covered accident, an accidental bodily injury causes you to have a disability that is determined by a physician to be continuous and prevent you from performing all the substantial and material duties pertaining to your occupation, this coverage will pay a weekly benefit beginning on the 31st day for up to 52 weeks, provided you provide satisfactory evidence of the continuing disability. This benefit is excess of any other valid and collectible benefits under any other plan and the total payments to you from all sources, including this benefit, shall not exceed 100% of your earned income.
